It is necessary to find specific information on a paragraph and match this information with one of the instructions. There are two options for this type of question. You will take an academic reading if you want to graduate. The answer is usually contained in a full sentence or phrase, instead of a single word. And these mansions are taken from magazines, biography, magazines and perodes, and sometimes scientific books. You may be asked to select words from the text or select from a list of answers. Revelation of the views / Declarations of the writer - In this type of question, you will be given a series of statements and you will ask the question: next afirmations al al noc setnetsisnoc nos on etnemarkal rotua led senoiarcalced o senoinpo sal euq acifingis ON.satspeuser ed ajoh us ed sodardauc sol ne ODAD ON o ON .ÁS ribrcse ebED ?rotua led senoiarcalced / senoinpo sal noc naenila Give means that the point of view or claim is not confirmed or refuted. A variety of tasks is used, including: multiple option, identification information, identification of views / claims of Writer, coincidence information, coincidence characteristics, matching endings, prayer end Summary termination, Note end, Table end, Flow diagram termination, diagram label completion, short answer questions. As its name suggests, the academic test uses academic resource reading material, while the general test uses material of everyday life.TyPOS of questions in IELTS General formation Reading test matching - this type of question Ask that it matches the statements to the Paragraphs in your reading text.
